## **NOTICE OF PROPOSED REGULATORY ACTION**

TITLE 13, CALIFORNIA CODE OF REGULATIONS, DIVISION 2  
AMEND CHAPTER 4, ARTICLE 15, SECTION 1090

### **SPECIAL EQUIPMENT - WHEELCHAIR LIFTS (CHP-R-03-14)**

The California Highway Patrol (CHP) proposes to amend regulations in Title 13, California Code of Regulations, related to requirements for wheelchair lifts.

#### **INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW**

Section 2402 of the California Vehicle Code (VC) authorizes the CHP to adopt and enforce rules and regulations necessary to carry out its duties. The CHP adopted standards for wheelchair lifts for all buses except school buses in approximately 1979. These standards are contained in Sections 1090-1095, Title 13, California Code of Regulations (13 CCR).

In adopting Section 34501.1 VC, the Legislature further directed in 1989, that all “wheelchair lifts for buses, schoolbuses, youth buses, and general public paratransit vehicles, regardless of capacity” be certified by the manufacturer to the CHP that they meet “the California law and any federal law and the regulations adopted thereto.”

The National Highway Traffic Safety Administration (NHTSA) has now adopted standards into the Federal Motor Vehicle Safety Standards (FMVSS) for all wheelchair lifts intended for use on all motor vehicles, including all buses as well as private personal passenger vehicles. These standards are contained in FMVSS Nos. 403 and 404 (49 CFR 571.403 and 571.404). Under the FMVSS it will be unlawful, after the effective date of the regulations, for any party to manufacture for sale any wheelchair lift for any motor vehicle that does not comply with the standard. It will be further unlawful for any motor vehicle dealer to sell any new vehicle with a wheelchair lift installed that does not comply with the standards for both the wheelchair lift itself and the installation of the wheelchair lift in the vehicle.

The CHP now proposes to amend the standards contained in Sections 1090-1095, 13 CCR, to incorporate, by reference, the requirements contained in the FMVSS for wheelchair lifts. The effective date contained in the proposed amendment coincides with the effective date of the

FMVSS. By proposing this regulatory action, the CHP's purpose is to fully harmonize California regulation with federal regulation as required by the Motor Vehicle Safety Act, Chapter 301, Title 49, United States Code (49 USCS §§ 30101 et seq.), and to extend the benefits of the federal regulation to all wheelchair lift users.
